Monday
December 21
Merry, Wild
and Bright

We are throwing the jolliest party of the season, and you are invited to the forest to celebrate!

- Make your own jungle playground.
- Get in the Christmas spirit with a sing-along and dance party.
- Play festive Christmas-themed games.
- Santa visits Ark Eden!
- Free Play: Unstructured time for kids to explore thier interests, gain independence, and meet new friends.

Tuesday
December 22
How the Grinch Stole
Christmas

A certain green, holiday-hating Grinch has taken up residence on the outskirts of Mui Wo, and he's determined to steal Ark Eden's holiday cheer. We need *your* help to save Christmas! Campers will work together to restore our festive Holiday village through den building, baking a tasty holiday treat, and beautiful Christmas crafts designed to melt even the coldest holiday spirit. Don't let the Grinch win. Sign up to save the holidays today!

- Make Christmas crafts
- Den making out of natural materials
- Stick bread on the campfire

Wednesday
December 23
Ark Eden and
Sports Academy HK
Collab Day
(Offsite)

We're teaming up with **Sports Academy Hong Kong** to serve up a unique blend of sports, nature, and community action at the beach! What's on the schedule:

- Athletic Clinics: Football and gymnastics coaching to build core motor skills, balance and confidence.
- Eco Exploration: A hands-on nurdle hunt where kids learn about marine conservation while helping clean the beach.
- Creative Design: Teamwork and engineering come together during our big sandcastle build.
- Free Play: Unstructured time for kids to explore the shoreline, gain independence, and meet new friends.

Note: There is an extra charge added to this camp day to include the cost of expert sports facilitators as part of the collaboration with Sports Academy Hong Kong

Thursday
December 24
Murals, Wings, and
Wondering Things
(Offsite)

Get ready to be bird detectives and hunt for the bird murals of The Flock Project around Mui Wo's hidden walls and abandoned village houses.

Turn the trails into an outdoor classroom as campers learn about Hong Kong's endangered and native birds, discovering their unique calls, habitats, and how we can help protect them.

Race against the clock to crack hidden clues, smash team challenges, and forge unforgettable memories as you navigate the old streets together!
