Today we learn to be an eco-HERO! We will take part in a beach clean up.

We will also find ways to spread awareness about taking care of the environment through art-work, stories, shows, music, games, fashion or whatever your passion may be!

It's time for new experiences! We journey to Ng Yuen (The magical "Palace in the Sky") just outside of Tai O on Lantau Island.

We will learn about the different plants and flowers that live there, do some nature art and play lots of garden games.

A "free-play" day to stretch our imagination! Choose from activities such as climbing the trees, netting in the stream, forest crafts and whatever else your mind can come up with!
